

## Grades JK-8 Curriculum Connections

In addition to the specific strands listed below, teachers may request customized tours based on other areas of study or units (i.e. Fairy Tales, language projects, etc.). Visual arts classes from all grades are invited to the museum to gain inspiration, either for their visit to the Gardiner Museum, or for independent projects.

JK/SK	<i>Kindergarten</i>	Personal & Social Development; Language; Science & Technology; Visual Arts
Grade 1	<i>Science and Technology</i>	Understanding Structures and Mechanisms; Materials, objects, and everyday structures
Grade 2	<i>Social Studies</i>	People and Environments: Global Communities; Communities Around the World
